Organizational Sharing/Updates	<ul style="list-style-type: none"> • Emma Shepard – CMCOA is having a four series community conversation. Encouraged to go to all four because they build on the previous session. Held in Hinckley, Mille Lacs, North Branch and Braham. Lori Swanson will send out more information on the series. • Barb Eller – Farm Market Café has been partnering with Nay-Ah-Shing High School and Mille Lacs Band of Ojibwa Reservation to provide fresh local fruits and vegetables to their summer feed program. During the fall and winter season they will also be receiving fresh apples from the orchards. Donating tomatoes to the local food shelf. 20 – 30% of the high tunnel garden produce goes to the local food shelf. Planning a strategic planning session with twelve company owners this fall to reaffirm or revise their mission to provide healthy eating choices.
